Dear researchers of the Oncodistinct network,

We are pleased to announce the **Oncodistinct Biannual Grant** to support **academic clinical research** within our network. This initiative aims to foster innovative projects that contribute to advancing oncology research and improving patient care.

 **Grant Details:** **Funding Amount:** €20,000
 Application Deadline: June 1, 2025

 **Evaluation Criteria:** Proposals will be assessed based on the following key aspects

Innovation – Novelty and potential to advance the field

Feasibility – Practicality and implementation potential

Impact – Potential benefit to patient care

Scientific Quality – Rigor and robustness of the research

Methodology – Sound study design and execution

 **Selection Process:**

All submitted proposals will be presented at the next **Oncodistinct meeting in Cyprus (June 2025)**. The General Assembly will evaluate each project based on the criteria above, assigning an overall score. The final selection will be determined by majority vote, and the grant recipient will be announced by **Pr. Ahmad Awada** the following day.

 **Application Process:**

To apply, please submit the following documents via email to Oncodistinct.CTC@hubruxelles.be by **June 1, 2025**: A **synopsis** (maximum **4 pages**, including references) using the **Oncodistinct-Grant-Application-Template** (attached).

- A **budget forecast**.
- A **project workplan**

This opportunity is open to all researchers from Oncodistinct sites. Please **share this information within your centers** to encourage participation.

For any questions or further information, feel free to reach out. We look forward to your proposals and to supporting impactful research within our network.

Best regards,
The Oncodistinct Network
